SO WHAT

The campaign has climbed an escalation ladder: from military targets to economic targets (Aramco, Yanbu), then to civilian infrastructure (Riyadh, Dammam, Jeddah) and now to the capital's airport. The Kingdom's air defence has held so far. Air Force Command reported that Air Defence Regiment has been hit or targeted on 14, 15, 16, 17 and 17:00 to the 17th closed. 6 indefinitely. On the evening of 15 OCT CAGA confirmed a further attack on Dammam's King Fahd International Airport. Each hardly raises the reputational cost to the Kingdom more than the military cost.
