Official channels & verified reporting

11/10/2018 — AFP: Islamic Army of Aden claims responsibility for Riyadh airport attack

Islamic Army of Aden claims responsibility for Riyadh airport attack

AFP reported the Islamic Army of Aden had claimed responsibility for a drone attack on Riyadh airport. AFP cited unnamed Yemeni sources. The group is a Yemen-based militant group. The claim could not be independently verified at the time of publication. Saudi Arabia's state-run Al Ekhbariya TV reported the attack.

11/10/2018 — Reuters: Saudi-led coalition destroyed Houthi ballistic missile fired toward Riyadh

Saudi-led coalition destroyed Houthi ballistic missile fired toward Riyadh

The coalition said it intercepted and destroyed the missile before it reached Saudi airspace. The Houthi-controlled Saba news agency reported the launch. The coalition has been conducting airstrikes against Houthi positions in Yemen since March 2015.

10/10/2018 — Anadolu: several Arab airlines suspend or cancel flights to Riyadh after deadly Houthi attacks

Several Arab airlines suspend or cancel flights to Riyadh after deadly Houthi attacks

Anadolu reported that several Arab airlines had suspended or cancelled flights to Riyadh following recent Houthi attacks on Saudi airports. The report did not name the airlines or specify the number of flights affected. Anadolu is the state-run news agency of Turkey.

10/10/2018 — Al Ekhbariya: jet skirts continue across most of the Kingdom through next Saturday

Al Ekhbariya: jet skirts continue across most of the Kingdom through next Saturday

Al Ekhbariya reported that jet skirts would operate in most regions of the Kingdom through next Saturday. The report did not specify the reason for the extended schedule. Jet skirts are low-altitude military training flights.

10/10/2018 — ABS-CBN: Philippine Airlines suspends Riyadh flights until 28 November

ABS-CBN: Philippine Airlines suspends Riyadh flights until 28 November

ABS-CBN News reported that Philippine Airlines has suspended its flights to and from Riyadh until 28 November 2018. The airline cited "operational considerations" in its statement. The suspension affects both passenger and cargo services.

11/10/2018 — Houthi claim ballistic missile at King Khalid airport and drone at Khamis Mushait base on Monday evening

Houthi claim ballistic missile at King Khalid airport and drone at Khamis Mushait base on Monday evening

Houthi spokesman Yahya Sarea said the group launched a ballistic missile and a drone on Monday evening. The missile targeted Riyadh's King Khalid International Airport. The drone struck the Khamis Mushait air base in the Asir region. The Houthis said the missile hit Terminal 5 and that the drone struck a hangar. Saudi officials have not confirmed the claims. Sarea is a military spokesman for the Houthi movement.
