SO WHAT

The campaign has climbed an escalation ladder from military targets to economic targets (Aramco, Yanbu), then to civilian infrastructure (Riyadh airport), and now to the diplomatic quarter. The Eastern Region strike is the first outside the capital. Riyadh Air has not targeted on the U.S. 5.7, 6.16 and 11 Oct, the 15 Oct strikes closed it indefinitely. On the evening of 15 Oct, GACA confirmed a further attack on Dammam's King Fahd International Airport. Each may raise the reputational cost to the Kingdom more than the military cost.
