ESCALATION PATTERN: HOSTILE STRIKES ESCALATED AS RETALIATORY TOOL, 8 SEP – 14 OCT

US WAY

The campaign has climbed an escalation ladder in recent days, moving to economic targets (ports, tankers), then to the Houthi leadership, and now to the country's energy infrastructure. The Houthi response has been to match each step. The Houthi military threat must have been hit or degraded in May 5, 7, 8, 13 and 15 Oct. As the US strikes closed 3 waterfalls. On the evening of 15 Oct CAOA confirmed a further attack on Dammam's King Fahd International Airport. Each step has widened the target set and raised the cost of the next step.
