DO WHAT

The campaign has climbed an escalation ladder, from military targets to economic targets (Hormuz, Iran), to symbolic targets (the Khalkhali prison station serving the Prophet's Mosque), and now to civilian aviation and the Kingdom's own infrastructure. Each step has been framed as a response to the step before it. The pattern is the escalation. On Saturday, the crossing of 1,500 GACA notifications, the Kingdom's own airspace and Dammam International Airport. Each step crosses the reputational cost to the Kingdom more than the military cost.
